

WARNING

- If you are **coughing and/or sneezing** please cover up properly, where mask or stay home.
- Keep within your personal space, approximately 6 feet. Put **distance between yourself and other people.**

Clean your hands often

- **Wash your hands** often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, **use a hand sanitizer that contains at least 60% alcohol.** Cover all surfaces of your hands and rub them together until they feel dry.
- **Avoid touching your eyes, nose, and mouth** with unwashed hands.

Thank You
